MERIT™ Plus
SERIES

Merit™ Plus Series electric fireplaces provide a go-anywhere option that offers the pleasant ambiance of fire in an affordable configuration. Available in two convenient sizes, the MPEs feature a realistic fire image that includes a charred split oak-style log set with a glowing ember bed and a smoked-brick pattern background. The flame height and ember intensity can be adjusted to suit your preference using the standard remote control and the standard 5,000 BTU heater adds warmth and comfort to the fire experience.
