

Customized fireplace design options to help you
express your personal style and individual taste

LENNOX

HEARTH PRODUCTS
Innovation never felt so good.™

Create

Create. Build. Add. Enjoy!

Choosing the right fireplace can be exciting, but the fun really begins when you start accessorizing! The Elite™, Merit™ Plus and Merit™ lines of Lennox Hearth Products' gas-burning fireplaces feature an exciting array of accessory options to help you create the look you want – the look you've dreamed of – the look that goes perfectly in your home. You'll be amazed at what you can create.

Style View™ Twin-Pane Doors

With a variety of distinctive design styles and finishes, Style View™ doors allow you to add the perfect personal touch. They're designed to open and close with ease and are built sturdy to outlast the test of time and heat.

Style View Door Finishes

Charcoal

Textured Iron

Satin Pewter

Antique Brass

Note: Style View™ doors are not available for 33" units. Tall Style View doors only are available in Charcoal and Satin Pewter.

Screen Panel Kits

All models accept screen panel kits which serve as a barrier to prevent contact with hot glass surfaces.

Brick Liners

From the traditional to the contemporary, our variety of ceramic brick liners gives you several distinctive choices for the interior walls of your fireplace.

Buff Traditional (LMDV, MPD and MPB models only)

Buff Rustic Brick (ELDV and EDV models only)

Buff Rustic Herringbone (ELDV and EDV models only)

Buff Old Cottage (EDV models only)

Red Rustic Brick (ELDV models only)

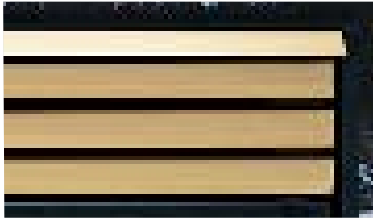

Red Old Cottage (ELDV models only)

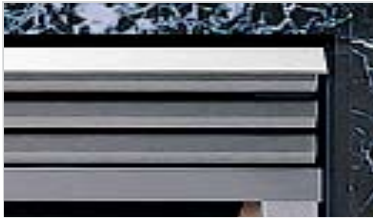

Louver Kits

You can add a touch of style to the appearance of your heat-circulating fireplace with the addition of a louver kit. Several finishes are available to complement your home's décor.

Elite™/Merit™ Plus Louvers

Polished Brass

Brushed Stainless Steel

Filigree Louvers

Crescent Style – Charcoal

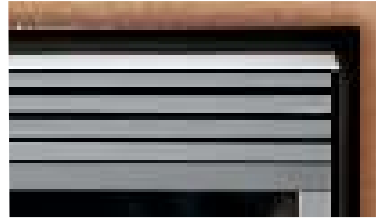

Crescent Style – Satin Pewter

Merit™ Louvers

Polished Brass

Brushed Stainless Steel

Sunrise Style – Charcoal

Sunrise Style – Satin Pewter

Radiant Panel Kits

With a radiant panel kit, you can instantly give your louvered fireplace a clean face appearance. This reflects the true look of a masonry fireplace and delivers classic elegance.

Blowers

Blower kits for improved heat distribution:

- FBK-100 – On/off operation
- FBK-200 – Wall-mounted rheostat control
- FBK-250 – Temperature sensor control, plus unit mounted rheostat control

Door Trims

Several door trim kits are available to accentuate the look of your fireplace. Door trim is available for most Elite™, Merit™ Plus and Merit™ fireplaces – and several finishes are available for each model to reflect your personal style.

Elite

Brushed Stainless Steel 4-Piece Door Trim

Merit Plus/Merit

Polished Brass 2-Piece Door Trim

Brushed Stainless Steel 4-Piece Door Trim

Remotes

Choice of three wireless remotes:

- Model RCL – On/off wireless remote with LCD screen
- Model RCL-STAT – On/off wireless remote with LCD screen plus thermostatic control, timer and clock
- Model RCL-M – On/off wireless remote with LCD screen, thermostatic control, timer and clock plus flame adjustment and fan control
